Imperfect: Embracing Improv Quilting

Julie Burton

While improv quilting involves starting a quilt without a pattern, it is a skill and a technique. In modern quilting, every quilter approaches improv with their own style and method, keeping the foundations of traditional quilting in mind. In *My Improv Journey*, Julie Burton, breaks the seams between traditional and improv in the quilting world. She takes the reader on her journey in a quilting education, showing classic quilt patterns with a modern twist and introducing improv to traditional quilters.

Quilting, Patchwork & Appliqué

Fly Away with Me

Hilde Hoogwaerts

Hilde Hoogwae fell in love with the rich colours and patterns of wax fabrics while travelling in Ghana, and since then has worked exclusively with them back home in the Netherlands. And that's when she discovered that the most beautiful fabrics were Dutch and produced just a few kilometres from home! This book, bursting with energy and colour, is totally dedicated to them, and the 14 projects highlight these superb prints. Creative, contemporary and traditional at the same time, it is suitable for all levels of expertise and creativity. All patterns are fully explained, accompanied by full-size templates and richly illustrated with magnificent photos. From Quiltmania with text in English and French.

Ultimate Paper Piecing

Reference Guide Everything Quilters Need to Know about Foundation and English Paper Piecing

Carolina Moore

When it comes to using paper in your quilt designs, there are two techniques you can use – English paper piecing (EPP), or foundation paper piecing (FPP). Normally, quilters are devoted to a particular paper piecing camp, but for those on the fence or anyone interested in trying and mastering both, this is the perfect quilting resource. A hardworking guide to both types of piecing, this book covers it all and provides the tools and techniques, along with both simple and intricate block designs, for both EPP and FPP. With detailed step-by-step instructions, tips, and tricks, this is the reference guide you'll continue to turn to as you learn and refresh your paper piecing skillset.

Improv Quilting

Dancing with the Wall

Irene Roderick

Improv Quilting will appeal to beginning and advanced quilters who are looking for a new creative and artistic method of quilt design and construction. It is a handbook for quilters who want to expand their skills and make unique, personal expressions instead of following traditional quilt methods. The author's approach is fluid and intuitive, inviting you to tap into your imagination and ingenuity in order to create one-of-a-kind quilts in your own creative voice. The book provides instructions for design and construction accompanied by tips and tools to enable you to work freely without preconceived ideas of where the process leads. She will ask you to learn to trust your personal experiences and instincts so that you can develop your own personal style.

The Periodic Table of Quilt Blocks Poster

This 50 x 76cm (20 x 30 inches) periodic table poster is a fun, useful and colourful visual guide to 100+ quilt blocks. The chart is organized into 15 categories of blocks, such as Star, Flying Geese, 9-Patch blocks, and more. Each square includes the name, a colourful diagram of the quilt block and the block grid number (2-grid, 3-grid, 4-grid, etc.). Create any block on the periodic table with ease using the handy cross-reference on the chart indicating which *Quilt Builder Card Deck* (1st, 2nd, or 3rd) or *Quick & Easy Block Tool* contains the quilt block instructions. This is a perfect gift for all quilting lovers, from beginners to experts, that fits in a standard poster frame. Pair the poster with the block tools to easily create any quilt block featured on the poster.

Kaffe Fassett: The Artist's Eye *Dennis Nothdruff (Ed)*

Kaffe Fassett (b. 1937) is one of the most recognized names in contemporary craft and design with work encompassing knitting, needlepoint, quilting, textile design, mosaic, painting and drawing. His sense of colour and pattern has inspired makers around the world and his inimitable eye can translate the most everyday of details into the basis for one of his colourful, sophisticated, maximalist designs. This book explores Fassett's career and work in context for the first time, highlighting and widening the scope of his output over more than five decades. Drawing on original artworks, photographs and archival material, it illuminates the work of this distinctive, influential artist and designer. Essays from design and fashion historians sit alongside striking visual material and insightful interviews with Fassett that provide additional context about this prolific artist.
