

## Can Do Picks

### Fit for Purpose

Quilts for Warmth and Comfort  
*Jenny Bear*

Jenny Bear revisits traditional antique quilts using the smallest scraps of various fabrics from her eclectic stock! She doesn't hesitate to use orphaned blocks found at flea markets and integrate them into her quilts, complementing them with other antique fabrics waiting in her drawers. She has brought together 19 of her creations in this warm and inspiring book, which mixes small and large projects, appliqué and pieced, simple and more arduous – in short, there's something for every level of expertise! All these quilts have a story to tell, and Jenny even offers a playlist of music to accompany your reading of *Fit for Purpose*. From Quiltmania with text in English and French.

## Knitting & Crochet

### The Knitting Pattern Writing

**Handbook** How to Write Great Patterns that Knitters Will Love to Make

*Kristina McGrath & Sarah Walworth*

*The Knitting Pattern Writing Handbook* sets new standards for clear, accurate pattern writing, walking aspiring and experienced designers alike through each must-have component of a thorough, well-written pattern, including how to devise and present gauge, charts, and sizing information that is correct and easy-to-follow. With a focus on how to make patterns accessible to contemporary knitters – especially beginning knitters – this much-needed reference book is destined to become a classic in an industry that is beginning to professionalize after decades (even centuries!) of informal and home-based instruction!

### Patty Lyons' Knitting Bag of

**Tricks** Over 70 Sanity Saving Hacks for Better Knitting *Patty Lyons*

This handy guide goes far beyond your typical knitting tips. Knitters of all levels will discover both why and how various techniques work and improve both the look of their knitting and their command of stitches. It's sure to take any knitter's skills up to the next level. Patty Lyons starts by looking at the basics and explores the anatomy of a stitch, examining how this affects the look, feel and shape of the finished knitted fabrics and how different knitting techniques affect the finished outcome. She examines the problems caused by common mistakes that many knitters make without even noticing before diving into more complex knitting issues and how to trouble shoot them. All of Patty's techniques and tips are illustrated with detailed step-by-step artworks for absolute clarity.
