Wild Weave

Using Natural Materials to Make Beautiful Woven Textile Art

Alice Fox

In *Wild Weave*, textile artist Alice Fox encourages an open-minded and playful approach to creating beautiful and innovative woven artworks. Alice promotes the idea of engaging with simple tools and technology, as well as making use of locally sourced and unconventional materials, all of which can produce exciting results. Features include: • Sourcing materials and an introduction to equipment • Weaving on frames, in the round, three-dimensionally and ephemerally • Examples of weave-based ideas for recording landscape and 'spirit of place' • Techniques for working with alternative materials, which may be rigid or fragile. This book is ideal for anyone wanting to develop their textile art practice to include natural materials, or for newcomers seeking inspiration without the requirements of expensive tools or materials.

Embroidery & Fibre Arts

Stitch-illo: Every Stitch Tells a Story

Creative Expressions through Thread and Textiles

Janine Vangool (Ed)

Through techniques that emerge from the domestic arts, women are reclaiming stitching as a medium that goes beyond decoration or simple function. The needle is likened to a pencil or paint brush; thread, yarn and fibre is the paint. The artists profiled within *Stitch-illo* honour their own histories and cultures while layering upon them. They tell deeply personal stories, and in the process share universal ones of connection and feeling.
