Ultimate Value Tool for Designers, Quilters, Artists & Crafters

Design with Value & Contrast *Marci Baker*

The *Ultimate Value Tool* is a set of 30 cards with five calibrated value sections, spanning from lights to darks. Determine value with ease! Ideal for all crafters, place the closest matching colour card on top of your chosen material and view through the 7/8" round die-cut window to help pinpoint the colour value of any fabric or substrate. Use the small (1/4") round hole to isolate and determine the value of smaller items such as patterns, books, photos, etc. • Versatile set of 30 colour cards: 24 colour cards, three neutral colour cards and three instruction cards, all with a glare-reducing matte coating • Each card has a range of five values from light to dark for each colour, with a large (7/8") and small (1/4") round hole die-cut into each colour section for viewing fabric or other materials.

\$39.99 Accessory 248 x 57mm 30 Cards 250002

Modern Quilts

Beautiful Step-by-Step Designs for Accessories, Blankets & Home Decorations *Michael Caputo*

Michael Caputo shows you how to make 25 modern and innovative designs. If you're a beginner, get started with a simple project such as a seat cushion or some bright coasters and placemats, then practise your skills further with a wonderful colour wheel mini quilt. There are full-size quilts which are perfect for more confident quilters, as you can really let your creativity take charge in choosing the fabrics and colours. And don't forget the reverse – one of Michael's trademarks is that the wrong side of the quilt is just as splendid as the right side. The templates are included and there is a techniques section, as well as step-by-step artworks, to guide you.

Mending with Sashiko

The Japanese Art of Visible Repair *Kerstin Neumüller & Takao Momiyama*

The Japanese art of sashiko is a joyful and practical method of decorative repair. It is a hand sewing technique with a long and colourful history, based on simple stitches that anyone can pick up, regardless of skill level. This book contains both simple and advanced patterns to cater to those both new and well-versed in this timeless craft. Sashiko can be used to repair and decorate clothing, bed covers and tablecloths; nearly any textile you could think of. It is a functional, decorative way to give new life to tired or damaged clothing. In *Mending with Sashiko*, you will learn how to sew with different techniques such as hitomezashi, moyozashi and koginsashi, and learn which techniques are best for which materials. There are direct instructions on how to mend jeans, shirts, socks and more, as well as how to utilise your new skills on larger projects, such as patchwork quilts.
