Spooky Tapestry Crochet 20 To-Die-For Designs for Beginners *Emily Chavez*

These macabre patterns are designed with absolute beginners in mind. Using only basic stitches and simple color changes, Emily Chavez creatively uses the tapestry crochet method to achieve bold graphics without the complexity of more advanced mosaic crochet techniques. Work up designs like an eye weeping from a dark flower, a bewitching crystal ball in the stars or an ethereal wreathed deer skull. Or, bring some Halloween into your everyday with a ghost rising from a cup of tea or coffee, or a fringed bust of Frankenstein's monster. No matter what devilish design you start with, you can finish it in any way you choose-with instructions for wall hangings, pillows, totes and more!

\$44.99 Paperback 230 x 180mm 160pp 260037

Crochet Your Own Cat 12 Life-Size Amigurumi Kitties to Make and Love *Mieko Shindo*

This collection of 12 adorable amigurumi cats features designs that look so lifelike! Start by crocheting a foundation with basic amigurumi techniques, then add yarn and "groom" with scissors and brushes to create beautiful fur. You'll learn how to create stripes, coloured patches and different lengths of fur to craft your own one-of-a-kind cat. Then add the eyes and a nose and watch a cute little kitty come to life as if by magic. These amigurumi make wonderful gifts for cat-fancying friends and family members. You can customize the yarn colours to match a furry friend in your life and have fun trimming and styling the fur until you achieve your desired look.

Weaving with Clasped Weft

30+ Exciting Designs for Towels, Rugs, Runners and More *Tom Knisely*

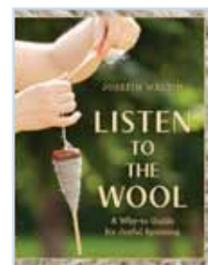

Explore clasped weft weaving with legendary instructor Tom Knisely! The book is structured around 30+ projects that demonstrate the possibilities of clasped weft, with step-by-step instructions and design insights. These projects range from towels like the Goose Eye Twill Towel and Hydrangea Twill Towel to rugs like the Inclines Rug and Volcano Rug, all of which serve as creative inspiration. The author encourages readers to experiment with different materials, colours and designs, making each project their own. In addition to the projects, the book provides invaluable insights into the technical aspects of clasped weft weaving, including tips on loom selection, shuttle types and tools like thread stands and temples.

\$55.99 Paperback 280 x 210mm 120pp 250404

Listen to the Wool A Why-To Guide for Joyful Spinning *Josefin Watlin*

Instead of approaching spinning with the end result in mind and forcing a fleece to meet that goal, e.g., a sport-weight sock yarn, *Listen to the Wool* shows spinners how to work with a fleece to find what type of yarn it is best suited to become. By investigating wool preparation from a technical, cognitive, sensory, and spiritual perspective, the reader will be able to confidently make decisions to create a wool's best yarn, allowing it to shine. The book will encourage readers to "do" the "don'ts," challenge their preconceptions, embrace their mistakes, and enjoy the full journey of fleece to yarn.

\$55.99 Paperback 250 x 205mm 192pp 250403

Darning Socks Innovative Repair Techniques *Hikaru Noguchi*

Darning Socks contains a collection of ideas and full step-by-step instructions for applying visible mending to socks, making them stay in use and keeping them out of landfill. This beautiful book by Hikaru Noguchi is translated from the Japanese and offers her usual high level of beautiful photography and inspirational ideas. Hikaru has invented a novel way to make the mends on your socks last even longer, saving you time and energy. No previous sewing experience is necessary and full instructions are included, from the easy way to thread a needle and choosing the right thread, to the inspirational use of colour and innovative materials for the experienced sewer.

Feed Sacks The Colorful History of a Frugal Fabric *Linzee Kull McCray*

Feed sacks are the perfect example of a utilitarian product turned into something beautiful. Linzee Kull McCray explores the history of the humble feed sack, from a plain cotton sack to exuberantly patterned and colourful bags that were repurposed into frocks, aprons and quilts by thrifty housewives in the first half of the twentieth century. Extensive imagery and at-scale reproductions of these fabrics create an inspiring sourcebook of pattern and colour – and offer a welcome visit to the days of yesteryear.

19th-Century Patterns for the Modern Body A Step-by-Step Guide

Elaine MacKay

Elaine MacKay guides you through creating a historically accurate garment perfectly fitted for the modern wearer. Illustrated with clear diagrams of bodice, skirt, and sleeve blocks, this step-by-step guide demonstrates how to alter modern pattern blocks to achieve authentic period designs for various modern body shapes. With techniques that can be easily transferred to any garment, each chapter details the techniques distinctive to each decade – from dramatic changes in the use of panels and bias, through the crinolines and bustles of the 1850s and 1870s, to the gored skirts and swept hems of the elegant 1890s. Features include: • Photographs of a historical garment • An in-depth garment analysis to help you understand how the cut of the period garment differs from a modern one • Instructions to alter the modern pattern blocks provided in Chapter 1 to achieve the period silhouette.
