

Knitting & Crochet

Crocheting on the Edge Ribs & Bobbles, Ruffles, Flora, Fringes, Points & Scallops

Nicky Epstein

Nicky Epstein gives crocheters the tools for adding fantastic embellishments to their projects. An addition to Nicky's fabulously successful *Knitting On, Over and Beyond the Edge* series, *Crocheting on the Edge* provides approximately 200 edgings and seven fabulous projects, including a blanket, a jacket, a shoulderette and a poncho. Detailed instructions, gorgeous photographs and stitch charts for every edging ensure that everyone will be able to crochet on the edge!

**Seed Stitch** Beyond Knit 1, Purl 1 Rosemary Drysdale

One of the simplest stitches in knitting gets a stylish, ground-breaking makeover. The seed stitch is still one of the most popular among knitters, yet few designers have adapted its rich texture or combined it with other techniques – until now! The author uses the seed stitch as never before, incorporating it into colourwork, cabling, geometric patterns and more, and creating 60 innovative swatches. The 25 projects range from pillows and bags to cowls and sweaters to give a modern flair to this stitch.

**Dimensional Tuck Knitting** An Innovative

Technique for Creating Surface Design Tracy Purtscher
Dimensional tuck knitting is an ingenious technique that looks complicated yet is deceptively simple. With step-by-step instructions and illuminating information on every aspect of the technique, this book provides a comprehensive understanding that will inspire knitters of all skill levels. More than 85 patterns, each with written and charted instructions, will dazzle; and the collection of 10 projects – ranging from a mohair shawl to a cozy blanket, from a bulky pullover to elegant fingerless mitts – will stun. It's the perfect technique for knitters who loves texture.

The Rookie Gardener Chloe Foster
For readers with absolutely no floriferous idea, the book begins by explaining what a plant actually is. Chapters are set out in the order that you would do things in the garden – because a thorough grounding in the what, why and how of your bit of soil is the first and most important step towards imagining and creating something that perfectly suits you and your needs. To round out your rookie understanding, there are step-by-step projects, horticultural tidbits, suggestions for rabbit-hole reading, checklists, garden hacks and special features. An illustrated plant directory, giving recommendations for particular spots and styles, makes choosing the right plant for the right place a cinch.

Our Family Dragon A Lunar New Year Story Rebecca Lim & Cai Tse
A glorious celebration of love, family and the Lunar New Year. I can't wait till the dragon gets here! It's New Year's Eve – the Lunar New Year. We are in Australia, but Bàba says people around the world have celebrated it for thousands of years. It's my very favourite time. Especially when the dragon is coming. A gorgeous story that celebrates family, tradition and the magic of the season. Recommended for ages 3+.

The Story Orchestra: Hansel and Gretel Jessica Courtney-Tickle
As you and your little one journey through the magical scenes of one of the greatest fairy tales, press the buttons on each page to hear 10 excerpts from the incidental music, encouraging interactive learning and introducing children to this beautiful piece of music. At the back of the book, find a short biography of the composer with details about his composition of Hansel and Gretel. Next to this, you can replay the musical excerpts and, for each of them, read a discussion of the instruments, rhythms and musical techniques that make them so powerful. A glossary defines musical terms. Recommended for ages 7+.
